The USPS has said that between 4 and 5% of the mail-in ballots may not get delivered on time, if at all. That means out of 130 million likely votes, 5.2 to 6.5 million votes wont count. Not acceptable in a free and fair election.

Dumbest tweet you'll read all day..

No, this is a last stand for the Freedoms of a Free Republic.. A last stand to stop the Marxist Socialist Revolt the Democrats, Media, and Twits like you are trying to perpetrate on the American People.

It's #Trump2020 or America is toast!

> **Ebony Noor, Black Pic Still Running Her Mouth** @DarlingEbony
> Some of you may be asking what this is the last stand of? Well, what James Woods is expressing is the stand for White Supremacy. The America they are concerned about being gone forever is White America. White Supremacy fighting for its survival. This is not a dog whistle. twitter.com/RealJamesWoods

This is our last stand, folks. And here's your last defender. If they take him down, America is gone forever. Vote for @realDonaldTrump like your life depends on it.

Europe is starting to close up once again because of the coronavirus.

I guess they didn't learn the lesson from Sweden that you can achieve herd immunity & eliminate the problem if you just let the virus run it's course.

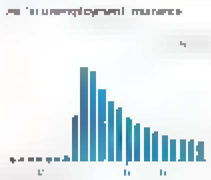
Great News!



Danny Dougherty @DannyDougherty

Just a few weeks ago, it had looked like new claims for unemployment benefits may have stalled out around 1.4M, but now we've seen fewer than a million claims for the first time in almost 5 months.

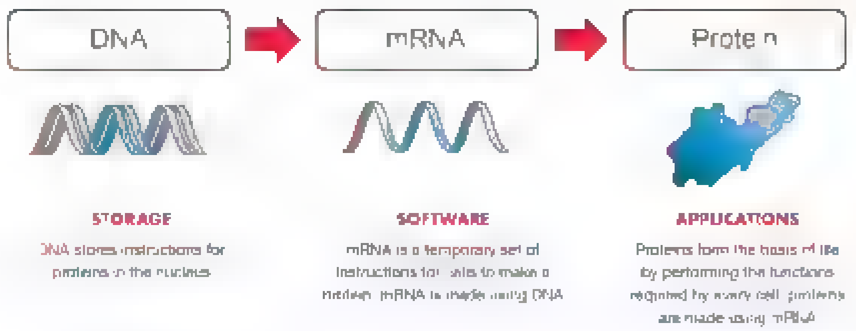
THREAD:

President of Moderna Testimony, July 21, 2020:

Understand the science & you can understand the risk. mRNA sends code as instructions to your own DNA. If they can create coded info that your own cells replicate, imagine what else can be done by editing certain codes.



Our approach fundamentally differs from traditional approaches to medicine. Rather than introduce a protein or chemical to the body, we send tailored mRNA into cells to instruct them to produce specific proteins. We built Moderna on the guiding premise that if mRNA can be used as a medicine for one disease, it could work for many diseases. Instead of starting from scratch for each new vaccine or therapy, our mRNA approach leverages the technology and fundamental components that we have been researching and developing since our founding. By building off our prior research and learning, we believe we can improve how we discover, develop, and manufacture medicines.

We designed our strategy and operations to realize the full potential value and impact of mRNA over a long time-horizon. Since 2010, we have built and invested in our technology platform, which creates mRNA sequences that cells recognize as if they were produced in the body. Our prior research and clinical trials taught us valuable lessons about designing vaccines, particularly how to manufacture mRNA that can be safely injected into people and induce an appropriate immune response. We believe this platform can be used to pursue mRNA medicines for a broad spectrum of diseases.

I have done more for WOMEN than just about any President in HISTORY. As we celebrate the 100th Anniversary of women's voting rights, we should build a BEAUTIFUL STATUE in Washington D.C. to honor the many brave women who made this possible for our GREAT COUNTRY

...Congress should send me H.R. 473 ASAP and make this happen! It will INSPIRE all women to continue being bold and brave in achieving their DREAMS!

The biggest difference between the Presidential Race in 2020 and that of 2016 is the 2016 candidate, Crooked Hillary Clinton, was much smarter and sharper than Slow Joe, we have even more ENTHUSIASM now, and @FoxNews has become politically correct and no longer the big deal!

The fact that Twitter has suspended a Verified Conservative Influencer with a National show like Bill Mitchell is ridiculous.

Everyone has a right to speak, even Alex Jones. This idiotic Draconian censorship in America MUST END!

No one NOT ONE spoke up when Alex Jones was banned because he's viewed as a joke. Now it's a problem when more and more conservative voices are banned. It sucks and I hate it but it would never gotten this far if more people stuck up for Alex

Hahahahahhahaha No one with a functioning brain believes that Barack Obama or Lunch Bucket Joe had anything to do with the best economy in history that President Trump's Administration built..

> **Kamala Harris** @KamalaHarris

It is shameful for parents to just go along and say nothing as their children are forced to wear these nonsensical masks for long periods of time breathing in their own unhealthy CO2...

Any parent that's okay with this should be ashamed of themselves.

Dumbest tweet you'll read all day..

No, this is a last stand for the Freedoms of a Free Republic.. A last stand to stop the Marxist Socialist Revolt the Democrats, Media, and Twits like you are trying to perpetrate on the American People.

It's #Trump2020 or America is toast!

> **Ebony Noor, Black Pic Still Running Her Mouth** @DarlingEbony
> Some of you may be asking what this is the last stand of? Well, what James Woods is expressing is the stand for White Supremacy. The America they are concerned about being gone forever is White America. White Supremacy fighting for its survival. This is not a dog whistle. twitter.com/RealJamesWoods

The most laughable, ignorant, and moronic thing today is the Democrats and the Media acting like the US Postal Service was just fine until Trump was elected..

People actually vote for Democrats, and listen to the dolts in the Media.. It's infuriatingly stupid.

Yes!!!! And I'm now the crazy person because I won't let my kid wear them and am against school masking. It's so wrong on all levels - social skills, immunity, safety. And the data doesn't support kids being masked, much less adults.

The USPS was not designed as a commercial enterprise, able to support itself against competition for the services it provides. But it assures that mail service is affordable. Without it as "competition," prices will skyrocket.

The fact that "The Wrong Trump" is trending after the President's brother died tells you everything you need to know about the left.

Thousands of Leftists are taking to Twitter tonight to say that the "wrong Trump" passed away.

This tells you EVERYTHING you need to know about the Left in these most troubling times.

The world we live in is a sad place. Will we see Democrats speak out against this?

It's hilarious that the Democrats in New York are "Furious" that the NYPD Union endorsed President Trump...

Did you think they were going to endorse the group that doesn't support law enforcement, wants them defunded, and supports miscreants and delinquents like BLM & Antifa?

Yes, it's considered a cold case. I with several other LEO's, Homicide Detectives, Fed, and Military have been working to solve this murder for 3.5 years now. With no help from anyone in the media, and about 90% of America turning a blind eye to it.

Any police officer who arrests someone for not wearing a mask should resign his position and turn in his badge.

You have officially turned your backs on your oath and the United States Constitution. Shameful.

Facts do not care about your feelings.

How many of you are aware that I'm being sued by the two largest Democrat Law Firms in America (Former Obama White House Counsel) in an attempt to silence my Seth Rich murder investigations?

Why doesn't Property Tax end at 55/60 for our seniors. Haveny our elderly paid enough at a certain point in America, it's already an illegal tax that our founders would have fought over.

Just some food for thought.

No the case isn't closed on Seth Rich you twit... It's an unsolved murder that's now a "cold case" with the Washington, D.C. Metropolitan Police..

This is why you should stop watching the Mainstream Media and being a follower.. Be a leader and ask for the truth..

What's happening with the USPS feels like the end result of a coup. Nobody wanted this.

The only reason it's happening is because Trump thinks it will help him win. And "TRUMP WINS" is the only thing that matters to the current Republican Party.

If you aren't on Clouthub, it's a phenomenal new platform I encourage you to try out. Lots of folks you'll recognize, and it's layout is probably the best of any I've seen. Jeff has done a tremendous job with this site.

The Democrats are TRIGGERED that Trump is holding rallies again at airports in battleground states.

This is what a leader does..

Lincoln didn't hide, despite what his advisers wanted him to do. He got out and held his convention, and he changed the world.

COVID-19 Considerations

- You are your safest sex partner. Practice solo sex or limit the number of sexual partners you have
- Wash your hands and objects with warm water for 20 seconds before and after sexual activity
- The virus has been found in the semen and feces of people with COVID 19. We do not know if COVID 19 can be spread through vaginal or anal sex
- Talk about COVID-19 risk factors before having sex, just as you would discuss consent, condoms, PrEP and other safer sex topics

This was an attempted modern day lynching. No one should have to fear for their life because of their sexuality or color of their skin. We must confront this hate.

It's weird.... CBS News hasn't mentioned the pics that leaked today of then President Bill Clinton getting a neck massage in an airport with one of Epstein's victims..

It's almost like they are Fake News..

But they will praise his speech tonight, and they're super excited!

It comes down to Freedom. If you want to live in a China like environment where everything is decided for you and "Liberty" is considered selfish, you will want to vote for it (that is what the left is). If you want to ever VOTE again choose FREEDOM (right).

Why are Republicans allowing the Democrats to have ridiculous Post Office hearings on Saturday & Monday, just before and during our Convention. Let them hold them NOW (during their Convention) or after our Convention is over. Always playing right into their hands! @senatemajldr

With what I am doing in the fight with the Drug Companies, drug prices will be coming down 50, 60, and even 70 per cent. The Democrats are fighting hard to stop me with big ad buys, plus, Likewise, Big Pharma. FAVORED NATIONS AND REBATES ARE BRINGING PRICES DOWN NOW. We will win

They just said it didn't come from Corporate, they didn't say it wasn't from a Goodyear store, or from someone within the company, etc... They're not even denying it and they even turned comments off on their statement.. That tells you all you need to know..

It's Wayfair again.

You're so ignorant it's ridiculous..

My God, how moronic are you?

Why the surveillance... You're in Congress, you have to know that we keep eyes on our enemies.. This is the dumbest tweet yet from you..

I have voted conservative my entire life since 1996 and my voting record proves that.

I will not be quiet, Idiot Sticks like you who refuse to spoke up the last two decades while sitting on your hands are why America is in the shape it's in.

I voted for McCain and Romney because I had no other choices.

I'm not proud of either of those votes and if you are then shame on you for wanting our party to suck.

Thanks to President Trump we are winning again in America.

FOR IMMEDIATE RELEASE — Thursday, August 20, 2020

Leaders Of 'We Build The Wall' Online Fundraising Campaign Charged With Defrauding Hundreds Of Thousands Of Donors

Brian Kolfage, Stephen Bannon, and Two Others Alleged to Have Funneled Hundreds of Thousands of Dollars From the Organization to Kolfage; All Four Defendants Allegedly Profited From Their Roles in the Scheme

Audrey Strauss, the Acting United States Attorney for the Southern District of New York, and Philip R. Bartlett, Inspector-in-Charge of the New York Field Office of the United States Postal Inspection Service ("USPIS"), announced the unsealing of an indictment charging BRIAN KOLFAGE, STEPHEN BANNON, ANDREW BADOLATO, and TIMOTHY SHEA for their roles in defrauding hundreds of thousands of donors in connection with an online crowdfunding campaign known as "We Build the Wall" that raised more than $25 million. The Democrats are demanding Mail In Ballots because the enthusiasm meter for Slow Joe Biden is the lowest in recorded history, and they are concerned that very few people will turn out to vote. Instead, they will search & find people, then "harvest" & return Ballots. Not fair!

I STAND FOR LAW AND ORDER AND I TOOK ACTION! Operation LeGend has led to the arrest of over 1,000 criminals, including 90 killers all while Sleepy Joe Biden and the Radical Left excuses violence and crime in their Democrat run cities. I want safety & security, Joe allows CRIME!

instead of countering my evidence (i.e. the transcript of trumps words), this person smears me as having a "racist mentor." he paints a target on my back. how is this okay? how is this legal? how can he attribute a "racist mentor" to me?

Tim Miller @Timodc

Will! good to hear from you! actually the 1st amendment no longer carries weight. as cancel culture is the first work around on the first amendment. so don't pretend we're playing by the old rules. you know that, right? the first wont save you
but thanks for playing.

The deep state, or whoever, over at the FDA is making it very difficult for drug companies to get people in order to test the vaccines and therapeutics. Obviously, they are hoping to delay the answer until after November 3rd. Must focus on speed, and saving lives! @SteveFDA

How many of you have watched Shark Tank?

It's one of my favorite shows, & IMO one of the best on TV, regardless of your opinions of Mark Cuban, he knows business..

Do you think any of the Sharks would give a company losing $6 Billiom another $25 Billion?

Thus ends the lesson

Don't know, I grind my own beans, better that way.. You can buy the reusable k-cups and fill them yourself, that's what most people that I know do..

Most of us drink so much more than one cup, that we've went back to regular coffee pots and save money in doing so :)

23/The "droplet" argument for wearing masks is basically just uninformed. It's a nice idea until you look at the research & how porous masks are. "Surgical masks will NOT block aerosolized particles AS SMALL AS A DROPLET CONTAINING INFLUENZA VIRIONS."

The Teachers Union in America is one of the most corrupt groups in the nation.

We must take control of our schools and we must push for school choice. We cannot allow another decade of liberal indoctrination of our children.

Spare the rod spoil the child. It doesn't mean you beat them either! But if you want respect don't allow the child to see division between parents or they will use that in anyway possible. A spanking is not abuse when used as a tool to enforce rules! Schools spank too!

Horrible Take, stop breaking the law and follow police commands... Have your day in court... Those officers have families, children, and wives that they want to come home to..

The faux outrage every time someone is shot for not obeying officers is getting and growing tiresome..

> If a person shoots up a school we don't gun them down they walk out and are arrested. There's no good reason to shoot a man in his back for nothing. Taser him. I support our police. I also support my community. The two aren't mutually exclusive.

I can see myself telling cops to F off if they have no reason to arrest me, but best believe my ass is freezing like ice. Fight it in court later if you want.

Horrible Take, stop breaking the law and follow police commands... Have your day in court... Those officers have families, children, and wives that they want to come home to..

The faux outrage every time someone is shot for not obeying officers is getting and growing tiresome..

Worthless. Other than herself, the only people that Kellyanne supported as "campaign manager" in 2016 was @Comey and @TheDemocrats (the falsehoods below were referenced in their fraudulent FISA affidavits)

The @WhiteHouse is way better off without her

Portland's been on fire for 3+ months, riots every night for damn near 4 months... The media.. "It's a myth"..

One group of Patriots stands up to them, and now that group is somehow a hate group... The police are now "needed"

The hypocrisy of liberals knows no bounds..

Conservatives saying that Kim Guilfoyle didn't have to yell like that have NO CLUE how close we are to losing this country. Her speech was needed, fiery, & a wake up call to all armchair quarterbacks.. Get in the game or get out of our way! We have an election to win! #Trump2020

Portland's been on fire for 3+ months, riots every night for damn near 4 months. The media: "it's a myth"

One group of Patriots stands up to them, and now that group is somehow a hate group. The police are now "needed"

The hypocrisy of liberals knows no bounds.
